

CORPORATE ACTION NOTICE

TERMINATION NOTICE

4/2/2021

NOTICE TO HOLDERS OF GLOBAL DEPOSITARY RECEIPTS ("GDRs") REPRESENTING DEPOSITED COMMON SHARES OF:

Interbrew Plc – Reg S/144A Class B

ONE GDR REPRESENTS ONE COMMON SHARE

CUSIPS: 45845T506 (Reg S) 45845T209 (144A) AND UNDERLYING ISIN: GB0049659120

As owners and beneficial owners of the above GDRs, you are hereby notified that The Bank of New York Mellon, as depositary (the "Depositary"), will terminate the Deposit Agreement, dated 28 December 1994, as amended between INTERBREW PLC ("INTERBREW PLC") and the Depositary, the ("Deposit Agreement").

As a result, the existing GDR facility will be terminated effective at 5:00 PM (Eastern Time) on June 11, 2021.

Under the terms of the Deposit Agreement, you have until at least June 16, 2021 to surrender your INTERBREW GDRs for delivery of the underlying shares to you or to your order. If you surrender GDRs for delivery of the underlying shares, you must pay a cancellation fee of \$5.00 or less per 100 GDRs (or portion thereof) surrendered, and relevant expenses incurred by the Depositary, namely a cable fee of \$17.50 and any applicable U.S. or local taxes or governmental charges. Payment should be made payable to The Bank of New York Mellon.

Subsequent to June 16, 2021, under the terms of the Deposit Agreement and the GDR Conditions, the Depositary shall attempt to sell the underlying shares represented by any of your GDRs which have not been surrendered for cancellation. If the Depositary is able to sell such shares, you must surrender all of your GDRs not yet surrendered in order to obtain payment from the Depositary of the sale proceeds, net of the expenses of sale, any applicable U.S. or local taxes or government charges and a cancellation fee of \$5.00 or less per 100 GDRs (or portion thereof). You should be aware that intended cash distributions, and delisting and voluntary liquidation, were announced by INTERBREW PLC on 26 February, and such events may affect the market so that, if you do not surrender your GDRs in return for delivery of the underlying shares prior to the Effective Termination Date, the Depositary may not be able to effectively sell the underlying shares, and in the event that such underlying shares, automatically cease to exist upon the closing of the liquidation of INTERBREW PLC, the GDRs will cease to represent any underlying assets and may be cancelled.

To surrender your GDRs the address of the Depositary is: The Bank of New York Mellon, 240 Greenwich Street, Depositary Receipts Division – 8th Floor, Attention: Cancellation Desk, New York, NY 10286. Registered or overnight mail is the suggested method of delivering GDRs to the Depositary.

BNY Mellon collects fees from DR holders pursuant to the terms and conditions of the DRs and any deposit agreement under which they are issued. From time to time, BNY Mellon may make payments to an issuer to reimburse and/or share revenue from the fees collected from DR holders, or waive fees and expenses to an issuer for services provided, generally related to costs and expenses arising out of establishment and maintenance of the DR program. BNY Mellon may pay a rebate to brokers in connection with unsponsored DR issuances; brokers may or may not disclose or pass back some or all of such rebate to the DR investor. BNY Mellon may also use brokers, dealers or other service providers that are affiliates and that may earn or share fees and commissions.

BNY Mellon may execute DR foreign currency transactions itself or through its affiliates, or the Custodian or the underlying Company may execute foreign currency transactions and pay US dollars to BNY Mellon. In those instances where it executes DR foreign currency transactions itself or through its affiliates, BNY Mellon acts as principal counterparty and not as agent, advisor, broker or fiduciary. In such cases, BNY Mellon has no obligation to obtain the most favorable exchange rate, makes no representation that the rate is a favorable rate and will not be liable for any direct or indirect losses associated with the rate. BNY Mellon earns and retains revenue on its executed foreign currency transactions based on, among other things, the difference between the rate it assigns to the transaction and the rate that it pays and receives for purchases and sales of currencies when buying or selling foreign currency for its own account. The methodology used by BNY Mellon to determine DR conversion rates is available to registered Owners upon request or can be accessed at https://www.adrbnymellon.com/us/en/news-andpublications/dr-issuers/drs_foreign_exchange_pricing_disclosure.pdf.

In those instances where BNY Mellon's Custodian executes DR foreign currency transactions, the Custodian has no obligation to obtain the most favorable exchange rate or to ensure that the method by which the rate will be determined will be the most favorable rate, and BNY Mellon makes no representation that the rate is the most favorable rate and will not be liable for any direct or indirect losses associated with the rate. In certain instances, BNY Mellon may receive dividends and other distributions from an issuer of securities underlying DRs in U.S. dollars rather than in a foreign currency. In such cases, BNY Mellon will not engage in or be responsible for any foreign currency transactions and it makes no representation that the rate obtained by an issuer is the most favorable rate and it will not be liable for any direct or indirect losses associated with the rate.
